Subject: CAMERANO, Katherine (c)
(f)

Case: 2022-112-0033

1. On February 4, 2022, I along with Trooper Michael Proctor met with Katherine Camerano at the Norfolk County District Attorney's Office in Canton. The purpose of the meeting was to speak to Ms. Camerano concerning the investigation into the death of John O'Keefe on January 29, 2022. The following is a summary of what Ms. Camerano told us.

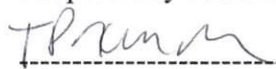

2 Ms. Camerano said that she is friends with John because her daughter, (c) and John's niece, (c) are friends. They met several years ago when the girls were playing sports. Katherine said that she knows Karen through John. They have all spent time together socially in the past. Katherine said that her daughter spends a lot of time with (c) and Karen is often there. Katherine said that she trusted both John O'Keefe and Karen Read to look after her kids. Katherine's children have spent overnights with them. (c) has been to Karen's house in Mansfield before. Katherine said that Karen and John had been together for about two years and she was not aware of any issues in the relationship. She said that she had never known them to fight.

3. On the evening of January 28, 2022 Katherine went into work. She is a nurse at Massachusetts General Hospital. She went in around 7:00 PM. Katherine Camerano said that evening her daughter was going to John O'Keefe's house to hang out with (c) Her husband went with John O'Keefe to C.F. McCarthy's in Canton. Katherine said that she was checking in with her family by text while she was at work and her family was all home by 11:56PM.

4. The following morning around 4:50 AM or 5:00 AM while she was still at work, Katherine received a call from Karen. Karen was screaming and crying saying that John did not come home. Katherine said that she tried to calm Karen down and tell her that everything was fine. Katherine could hear (c) in the background when they were on the phone with Karen. Katherine hung up with Karen and tried to call her husband to see if he knew anything. She called Karen back. Karen did not answer so she called (c) phone. Katherine could hear Karen in the background when she was on the phone with (c) She said that it sounded like Karen was on the phone with Jen McCabe. Katherine said that she continued to text Karen and (c) that morning to see if they had any news of John. She said that Karen texted her at 6:34 AM and said, "He is dead." Katherine did not think that Karen meant that he was actually dead, she thought Karen meant that he was dead, as in he was in trouble. Katherine said that she called Kerry Roberts and learned that John had been found in the snow and Karen had been transported. Katherine said that she had no further calls or texts with Karen since then.

Respectfully submitted,

Trooper Kathleen M. Prince, # 2791
